SCI Munich Report on Prospective Penetration Agents

George SPITZ - prospective penetration agent

Has been art dealer for many years and has many contacts in various European countries.

When conditions in Munich were settled, he plans to return to his art dealing business in Munich and will be able to furnish us with useful info. At present living at his home in BEUERSBERG ne. Rosenheim.

Intelligent, reliable & trustworthy - very cooperative and willing to help.

Michaelis - considered SPITZ reliable - not approached on subject of long term service for SCI. Completely under SCI control.

LSX-002-519 19 May 1945

Karl Hermann FRIEDMANN was taken to Rosenheim to locate George SPITZ, involved in sale of false foreign currency for RSHA.

Acc. to F., this false money sold on black market against gold & jewels which would then be supplied to agents as payment. Operations came under supervision of Obersturmbahnführer Dr. WINDIG (E) of AMT VI and of

3.

Obsturmabteilung Führer DAUSER, son of city sec'y
DAUSER.

SPITZ was located in a small town near
Roseheim and brought to SCI for interrogation.
